

Spect Sheet - M-F12W-CCT, M-F18W-CCT, M-F36W-CCT

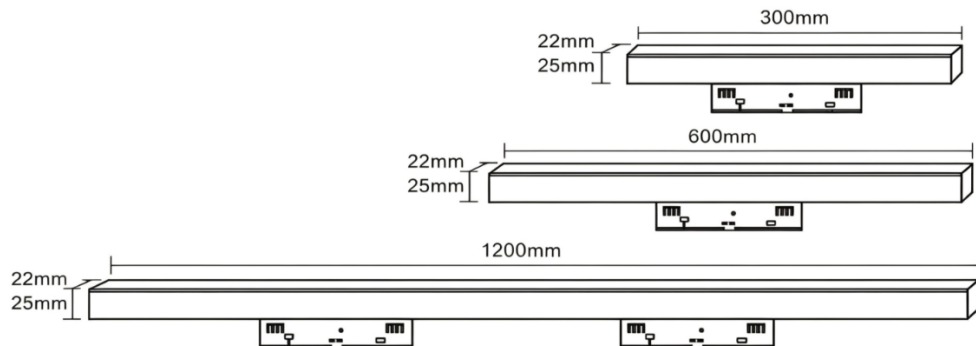

**Magnetic
Flood light series**

Specification		Dimensions	
LED chip	OSRAM	12W	L300*W22*H25mm
Power	12W/18W/36W	18W	L600*W22*H25mm
Color Temperture	3000K/4000K/6000K/2700-6500K	36W	L1200*W22*H25mm
CRI	Ra>90		
Light Efficiency	90 lm/W		
Fixture and Electrical Equipment			
Design Style	Modern		
Beam Angle	120°		
Material	Aluminium		
Lamp-Chimney Material	Plastic		
IP Rate	IP20		
Input Voltage	48V		
Lifespan (hours)	40000H		
Color	Black/White		
Warranty(Year)	3-Year		

Quality Affordable LED Lighting Solutions

Attention:

This linear LED product must be installed using a suitable Pro LED Lighting or equivalent approved LED mounting profile/channel to ensure proper heat dissipation. Improper installation may significantly reduce the LED's lifespan, cause color changes, and void the warranty.

Although Pro LED Lighting has taken care to provide accurate information, it cannot accept liability for any errors. The company also reserves the right to change or remove product details without prior notice.
