Spect Sheet - *M-G6W-CCT, M-G12W-CCT, M-G18W-CCT*

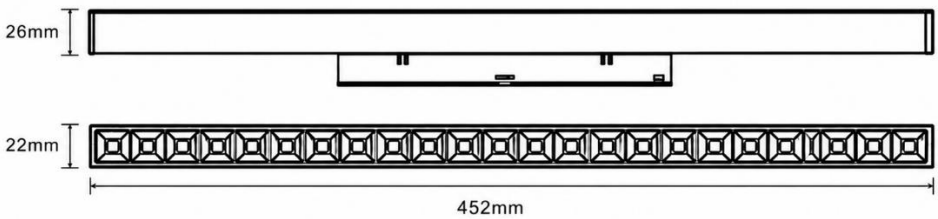

Magnetic
Grille light series

Specification		**Dimensions**	
LED chip	OSRAM	6W	L113*W22*H25mm
Power	6W/12W/18W/24W	12W	L222*W22*H25mm
Color Tempreture	3000K/4000K/6000K/2700-6500K	18W	L338*W22*H25mm
CRI	Ra＞90	24W	L452*W22*H25mm
Light Efficiency	90 lm/W		
Fixture and Electrical Equipment			
Design Style	Modern		
Beam Angle	24° 36°		
Material	Aluminium		
Lamp-Chimney Material	Plastic		
IP Rate	IP20		
Input Voltage	48V		
Lifespan (hours)	40000H		
Color	Black/White		
Warranty(Year)	3-Year		

Attention:

This linear LED product must be installed using a suitable Pro LED Lighting or equivalent approved LED mounting profile/channel to ensure proper heat dissipation. Improper installation may significantly reduce the LED's lifespan, cause color changes, and void the warranty.

Although Pro LED Lighting has taken care to provide accurate information, it cannot accept liability for any errors. The company also reserves the right to change or remove product details without prior notice.
