

Spect Sheet - M-GT6W-CCT, M-GT12W-CCT

**Magnetic
Folding light series**

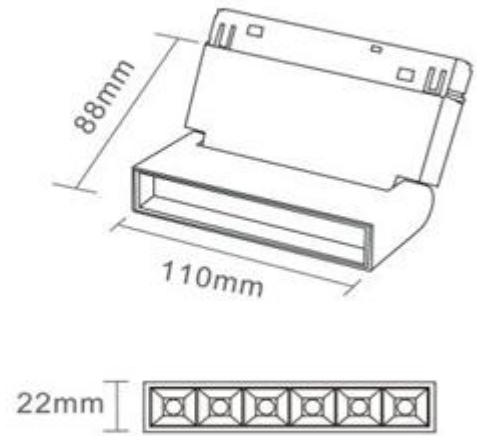

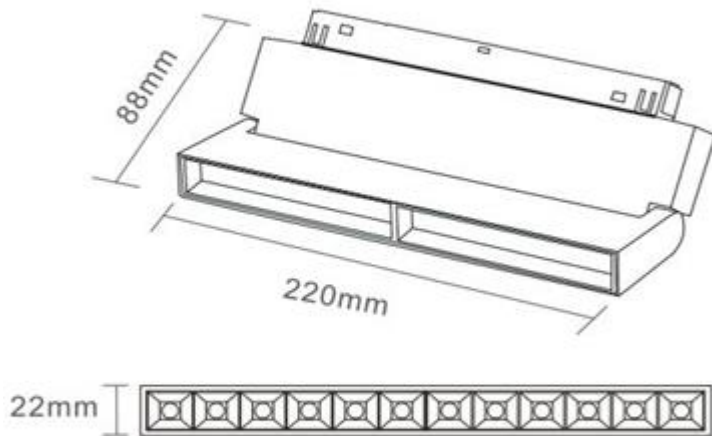

Specification

Dimensions

LED chip	OSRAM	6W	L110*W22*H88mm
Power	6W/12W	12W	L220*W22*H88mm
Color Temperture	3000K/4000K/6000K/2700-6500K		
CRI	Ra >90		
Light Efficiency	90 lm/W		
Fixture and Electrical Equipment			
Beam Angle	24° 36°		
Material	Aluminium		
Lamp-Chimney Material	Plastic		
IP Rate	IP20		
Input Voltage	48V		
Lifespan (hours)	40000H		
Color	Black/White		
Warranty(Year)	3-Year		

Quality Affordable LED Lighting Solutions

Attention:

This linear LED product must be installed using a suitable Pro LED Lighting or equivalent approved LED mounting profile/channel to ensure proper heat dissipation. Improper installation may significantly reduce the LED's lifespan, cause color changes, and void the warranty.

Although Pro LED Lighting has taken care to provide accurate information, it cannot accept liability for any errors. The company also reserves the right to change or remove product details without prior notice.
